Our Hope: *God's Faithfulness*

Our Lenten Parish Mission, presented by Hallow - the #1 Prayer & Meditation App - will walk us through a journey of discovering the ways God wants to engage us through prayer. We'll reflect on God's deep and unrelenting love for us. Everyone is looking for peace, healing, wisdom, and direction for life. How might expanding our understanding and practice of prayer unlock a peace and direction for our lives that we've been longing for? How do I find a way to pray that works for my life? Through reflection, conversation, and prayer, we'll explore these questions and more over three sessions. The end of our mission series will mark the continuation of an exciting 40 day Lent Prayer Challenge for the St. Peter the Apostle community on our Hallow parish page called, "The Way" & "The Little Way." Join the conversation and bring a friend who is longing for peace through prayer.
